## SUMMARY

I have over ten years of experience in eLearning development and design achieving the following results. Speaker at DevLearn 2019 • Earned a M.Ed. while working full-time • Winner of local speech contest and received second place at regional contest in 2014 • Received Advanced Leader Bronze and Competent Communicator Toastmasters award • Selected as President of Shelter Insurance Toastmasters in 2013 • Started eLearning contracting company in 2009 • Winner of the Hack Ack Award at Toolbook

## WORK EXPERIENCE

### ELEARNING SPECIALIST

Veterans United Home Loans – Columbia, MO | March 2017 - Present

- Recognized for my passion to help adult learners increase retention and understanding by developing engaging and interactive eLearning programs.
- Known for my ability to successfully collaborate with a variety of business partners including instructional designers, IT professionals, and subject matter experts.
- Selected to develop training for a variety of topics including human resources compliance, software tutorials, and general job knowledge due to my ability to analyze needs, and determine appropriate solutions.
- Known for fast and high quality turn times using a variety of multi-media techniques.
- Trained co-workers on various Adobe products, Storyline 360, and use of camera and audio equipment and lights

### ELEARNING DEVELOPER

Shelter Insurance Companies – Columbia, MO | 2012 - 2017

- Praised for my ability to learn new technology and software quickly such as Premiere Pro and SumTotal Learning Management System.
- Selected to be Change Manager for companywide HR software implementation.

## *ELEARNING SOLUTIONS*

Independent Contractor – Remote | 2011 - Present

- Praised for my ability to identify the customer's needs, create storyboards to communicate course content, and complete assignments on time and to the customer's satisfaction.
- Complimented for my high work ethic, positive and upbeat attitude, and being an ultimate team player.

## *EDUCATION TECHNOLOGIST*

Office of State Courts Administrator – Jefferson City, MO | 2011 - 2012

- Saved $5000 in script development training costs for each team member.
- Selected by management to train and coach team members due to my industry knowledge and ability to communicate complex information in layman's terms.

## *ELEARNING SPECIALIST*

American Signature, Inc. – Columbus, OH | 2011 - 2012

- Developed a sales course that increased credit sales by 10% ($4 million).

## *EDUCATION TECHNOLOGIST*

Office of State Courts Administrator – Jefferson City, MO | 2008 - 2010

- Reduced development time from three weeks or more to less than eight hours for a fully functioning interactive course.
- Introduced OpenScript for Toolbook to the department to develop scripts and decrease course delivery time.

## *COURT SPECIALIST*

Office of State Courts Administrator – Jefferson City, MO | 2006 - 2008

- Increased knowledge and retention by delivering engaging onsite software training.
- Recognized for my ability to develop positive relationships and quickly solve problems.
